The Embassy Of Health And Wellness Inc.

A Development Partner With the
Federal Government of Nigeria.

CONCEPT NOTE:

PROMOTING GLOBAL HEALTH THROUGH HOLISTIC WELLNESS THE EMBASSY OF HEALTH AND WELLNESS.

A DEVELOPMENT PARTNER WITH THE FEDERAL GOVERNMENT OF NIGERIA.

INTRODUCTION:

The Embassy of Health and Wellness is honored to present this concept note in pursuit of its mission to champion holistic wellness on a global scale. With its steadfast commitment to advancing health and wellness initiatives, The Embassy seeks to contribute meaningfully to the discourse and action at the World Health Assembly 2024 in Geneva as a non-state participant.

BACKGROUND:

Established with the vision of fostering a world where individuals thrive in both mind and body, The Embassy of Health and Wellness has emerged as a pioneering institution in the field of holistic health. Rooted in the belief that wellness encompasses physical, mental, emotional, and spiritual well-being, the Embassy has diligently worked to promote comprehensive health solutions that empower individuals and communities alike.

MISSION AND OBJECTIVES:

The core mission of The Embassy of Health and Wellness is to promote global health through holistic wellness approaches. To achieve this mission, the Embassy is guided by the following objectives:

1. **Advocating for a Paradigm Shift:** The Embassy advocates for a paradigm shift in the global approach to health, emphasizing the importance of holistic wellness over mere absence of disease.
2. **Fostering Collaboration:** The Embassy endeavors to foster collaboration among diverse stakeholders, including governments, international organizations, academia, civil society and the private sector, to address complex health challenges collectively.
3. **Empowering Individuals and Communities:** Recognizing the agency of individuals and communities in their own health journeys, the Embassy works to empower them with the knowledge, resources, and skills necessary to pursue holistic wellness.

4. Advancing Policy and Practice: The Embassy engages in ~~resha~~ policy analysis and advocacy to advance policies and practices that support holistic approaches to health ~~prom~~otion and disease prevention.

5. Proposed Contribution to the World Health Assembly 2024:

As a non-state participant at the World Health Assembly 2024, The Embassy of Health and Wellness aims to make a significant contribution to the discussions and initiatives aimed at advancing global health.

Specifically, The Embassy ~~propes~~ the following contributions:

1. Hosting a Side Event: The Emb~~assy~~ will organize a side event focused on the theme "Holistic Approaches to Global Health: Integrating Mind, Body Spirit." This event will provide a platform for experts, practitioners, policymakers to exchange insights, best practices, and ~~innovat~~solutions in holistic health promotion.

2. Policy Recommendations: The Embassy will present policy recommendations aimed at integrating holistic wellness principles into national and international health policies and programs. These recommendations ~~will~~ be based upon evidence-based research and stakeholder ~~consultions~~ conducted by The Embassy.

3. Capacity Building Workshops: The Embassy will conduct capacity building workshops to equip delegates with practical tools and strategies for implementing holistic wellness initiatives in their respective contexts. These workshops emphasize the ~~imprtance~~ importance of crosssectoral collaboration and community engagement in promoting holistic health.

Conclusion:

In conclusion, The Embassy of Health and Wellness, a Development Partner of The Federal Government Of Nigeria is committed to playing a proactive and constructive role in advancing global health through holistic wellness. leveraging its expertise, networks and partnerships, The Embassy seeks to contribute to the collective efforts aimed at building a healthier and more resilient world for all. We look forward to the opportunity to collaborate with the World Health Organization, United Nations, Ministry of Health Nigeria in pursuit of our shared vision.

Sincerely,

Dr Chiemelie Eze.

Chief Mission Director,

The Embassy of Health and Wellness
